

Men's Advance Info

Thursday–Saturday, September 9-11

Packing: If you signed up for a private room (2, 4, or 5 to a room) then linens and towels are provided. If you're in the dorm (lodge-style with bunks that were \$115) you'll need to bring a sleeping bag, pillow, and towels. All meals and activities are included no matter what type of room you have. Pack your Bible, pen and paper, and a flashlight and don't forget swim trunks for the lake.

Camp Rules: No alcohol, pets, fireworks, or firearms are permitted on the campgrounds. (That includes the parking lot!) Smoking in designate outdoor areas only.

Departure: If you want to caravan up with other guys leaving from our parking lot, meet at the church at 1:15 Thursday, September 9. We're pulling out no later than 1:45 (and probably earlier if everyone's here.)

Most guys are carpooling up by room, some are riding their bikes up, and others need a ride, and their departure times may vary based on the schedules of the guys riding together. If you need a ride and/or need to leave later in the day, call Keith at 430-1242 or the church office at 735-1650. If you're driving up and have room for one more, let us know.

Directions: Here's the camp's info in case you want to enter it into your GPS. You can also download a map from our website that shows how to get there once you reach Spokane.
